

Esther Eng

Regional Director, Human Resources, Asia

As Regional Director for Human Resources (HR), Esther has overall responsibility for the administration, coordination and evaluation of all HR matters in Asia. Esther held a similar role at Computer Sciences Corporation (CSC) since 2015 – which merged with Hewlett Packard's Enterprise Services business to create DXC Technology in April 2017.

A dynamic HR practitioner with over 20 years of extensive Human Resources Management experience in the technology industry across Asia Pacific, Esther previously worked in various software and services companies such as HERE Maps (a Nokia subsidiary), Microsoft Asia Pacific, Pacific Internet, Siebel Systems, i2 Technology and JD Edwards.

Esther holds a Bachelor of Science degree from University of London and is accredited with various professional HR certifications.
