

Jega Ponnudurai

Industry General Manager, Healthcare & Life Sciences, Asia

Jega is the head of Healthcare and Life Science Industry for Asia and held a similar role at Computer Sciences Corporation (CSC) – which merged with Hewlett Packard's Enterprise Services business to create DXC Technology in April 2017.

He joined CSC in April 2012 and has over 25 years of experience in the telecommunication and healthcare industries. In his previous roles, he has held senior positions at iSOFT Asia Group, as well as executive roles at Microsoft and Cisco Systems in Malaysia.

Prior to that, he had worked in Maxis Communications and was part of the team that launched Malaysia's satellite program. Having been part of startups as well as large technology companies, Jega has rich technical and management experience and is adept in handling complex technical, operations and business scenarios.

Based in Malaysia, he holds a bachelor's degree in Electrical Engineering from the University of Texas at El Paso.
