The DXC Eclipse difference

Our industry-specific 'Centres of Excellence' ensure your project team is resourced with industry experts and applications specialists who know your business and can demonstrate how our combination of industry IP, custom apps, Microsoft technology and rapid implementation methodologies will result in a cost-effective project that will digitally transform your business.

We invest heavily in IP for Microsoft Dynamics to extend the out-of-the-box functionality, lower your implementation costs and enhance your efficiency.

Our Dynamics 365 IP solutions include:

- DXC Credit Management
- DXC Rebate Deduction Management
- DXC Demand Forecaster
- DXC Payroll
- DXC Dynamics Solution for Docusign
- DXC Inbound Transport Management
- DXC Product Lifecycle Management

“Because of DXC Eclipse’s expertise with Microsoft solutions, NHP chose to partner with DXC Eclipse for the Dynamics 365 implementation. The team was very flexible and accommodating. If we needed to head down a different path at times, then DXC Eclipse simply worked with us to find solutions.”

Robbie Attard
Information Technology
Manager, NHP, Australia
