Seelan Nayagam,
Managing Director, DXC,
Australia & New Zealand

"Having a deep Salesforce capability is strategically important for DXC to support our existing customers and grow our relevance in the cloud environment."

"With more organisations in Australia and New Zealand using Salesforce and considering CRM replacements, System Partners will lift DXC's Salesforce capability in this region as well as accelerate the growth of our Salesforce practice globally."

Scott Bozic,
CEO, System Partners

"Today's announcement is the start of another exciting chapter for System Partners."

"Being part of the DXC family will provide us with strategic support and enhanced capabilities that will benefit our team, our partners and our clients."

"We look forward leveraging DXC's deep industry capabilities and helping our clients with their business and digital transformation in addition to the Salesforce expertise we are known and respected for."

“System Partners has been a valued partner for Salesforce in Australia. With the acquisition by DXC Technology, we look forward to continue working with the System Partners team, and DXC, to drive digital transformation and success for our customers across APAC. **”**

Mark Innes,
General Manager and Executive Vice President of APAC at Salesforce

About System Partners
System Partners is a highly regarded Platinum Salesforce Partner, with over 100 Salesforce certified consultants located in Sydney, Melbourne and Canberra. Since our founding in 2008 we have successfully delivered hundreds of enterprise cross-cloud projects in industries including Financial Services, Public Sector and Utilities. We work closely with clients to understand their strategic goals, and build long term solutions that are scalable and focused on business objectives.
